

Application form. Study program for refugees at the University of Barcelona.

In September 2015, the University of Barcelona initiated a support program for refugee students affected and displaced by different conflicts. This program is implemented by the *Fundació Solidaritat UB*. The actions taking under the UB Refugee Programme aim to promote access to Higher education for students affected by armed conflicts, different types of violence and threads because of their political thoughts, religious beliefs, for being part of a minority group, of their sexual orientation, etc.

This application form is addressed to those students affected by armed conflicts and violence and with no economic means who are living in a non-EU state and want to continue their university studies. The scholarship lasts one academic year (2019-2020) and covers the tuition fee¹ of the transition course to the University, full board accommodation (in shared rooms) and holistic support. This scholarship could be expanded if the student passes the transition course and if he/she is admitted in the master's degree requested (academic year 2020-2021) following the specific criteria of selection.

The scholarship will be effective only if the Spanish Embassy grants the international student visa.

The deadline for the submission of this application is 11 July 2019 at 12 am (Barcelona time).

Carefully read the terms for grants for the third edition of the University Transition Course (http://www.solidaritat.ub.edu/terms-for-grants-2019-ub-transitional-course/).

Please, send this application form filled out and signed, together to the requested documents (check at the end of this document) to refugee.support@ub.edu
