

Application form. Study program for refugees at the University of Barcelona.

In September 2015, the University of Barcelona launched the Support Programme for Refugees and People from Conflict Areas (hereinafter the Programme) (<http://www.solidaritat.ub.edu/refugees/>), a programme managed by the UB Solidarity Foundation (UBSF). The implementation of the Programme responds to the University of Barcelona's commitment to its social responsibility and to the achievement of the Sustainable Development Goals proclaimed by the United Nations and, specifically, to the SDGs 4 (Inclusive, equitable and quality education), 10 (Reducing inequality between and within countries) and 11 (More inclusive, safe, resilient and sustainable cities).

The actions taking under the Programme aim to promote access to Higher Education for university students who are refugees or in refugee-like situations as defined by UNHCR, whose educational and life projects have been disrupted by armed conflicts or by different situations of violation of human rights, whether due to the expression of political opinions, religious beliefs, sexual orientation, gender, belonging to ethnic or social minorities, or any other reason.

This application form is addressed to those students affected by armed conflicts and violence, in a situation of vulnerability in terms of the fulfilment of human, economic and social rights, who are living in a non-EU state and want to continue their university studies. Exceptionally, Afghan students with status of asylum seeker that are living in Spain since 1 August 2021 can also apply for this scholarship.

The scholarship lasts one academic year (2021-2022) and covers the tuition fee¹ of the transition course to the University, full board accommodation (in shared rooms) and holistic support. This scholarship could be expanded if the student passes the transition course and if he/she is admitted in the master's degree or Bachelor's degree requested (academic year 2022-2023) following the specific criteria of selection (more information: Terms and conditions). Likewise, in cases of two-year master and last year of Bachelor's degree, under previous request to the UBSF and completed academic performance and correctly administrative situation, the scholarship will be extended for the academic year 2023-2024.

The scholarship will be effective only if the Spanish Embassy grants the international student visa.

The deadline for the submission of this application is **22 February 2022 at 12 pm (CET)**.

Carefully read the terms for grants for the fourth edition of the Transition course to university studies

(<http://www.solidaritat.ub.edu/terms-for-grants-2019-ub-transitional-course/>).

Please, send this application form filled out and signed, together with the requested documents (check at the end of this document) to refuge.support@ub.edu

¹ Other costs (administrative taxes, for example) related to the pre-enrolment, the enrolment process, the certification, etc aren't covered by the scholarship and must be borne by the student.
